Sir,

Referring to para 4 of Government Proceedings No.Fl. 9083-125-S.R.140-06-2 dated 8th June 1907, directing that the periodical Stamp Returns be tabulated and compiled in this office, I have the honor to state that as by the transfer of this work from the Stamp Superintendent's to this office, I thought that the clerk doing this work in the former office may be taken here for the same purpose, I wrote to the Stamp Superintendent to send the said clerk to this office. In reply, the Stamp Superintendent reports in his Letter No.95 dated 2nd instant, copy herein enclosed, that there is only one Accountant in his office and that as he has full work in his office he cannot be spared as desired by me. In these circumstances, I beg to request that the Government may be pleased to sanction the entertainment of two additional hands in this office, separately for Stamp work, one to check the several returns, to tabulate and compile them for transmission to the Comptroller and other authorities, and also to attend to the correspondence work and the other to keep "From and To " Registers and other Records and also assist the first,
